

Maths

We will be learning about place value and addition and subtracting within 10. We will count to and across 10, forward and backwards. We will find one more and one less, we will compare numbers and order numbers. We will use a range of resources to investigate mathematical concepts. We will explore our own mathematical reasoning, using our words to talk about how and why.

RE

We shall be learning about creation and who made the world. We will learn about caring for the natural world and how we can play a part in that. We will be discussing what we are thankful for in the world.

PE

We will develop our gymnastics skills and learning about wide, narrow and curled shapes. We will also be developing our dance skills around the theme of The Zoo.

Music

We will be practicing off beat rhythms by learning and singing The Menu Song.

English

We will enjoy reading class texts such as Peace At Last, Can't You Sleep Little Bear, Where the Wild Things are And Tango Makes Three. We will make sure we apply our phonics and decode words when we are reading. We will read aloud and build our confidence.

Geography

We will learn about our local area and where we live. We will identify how the land is used in our village and what our locality is like. We will compare where we live to another locality.

Art

We will use paper to create our own art work. We will learn how to roll and coil paper. How to tear paper and how to create collage.

PSHE/SRE

We will be learning about our similarities and differences. We will create potions for friendships and what makes good relationships.

Science

We will learn about Seasonal Changes. Through this we will learn about the different seasons and what signs to look out for, we will learn what happens to the weather, the trees and plants, the sunshine and day time length and animals.

Year 1 Autumn 1 2025

Computing

We shall be learning how to stay safe using computers. We will practise using passwords and logging on. We will also learn about technology around us and how we use it.
