## Message from the Headteacher

Dear Parents/Carers

Thank you to everyone who attended Pupil Progress Meetings (Parents' Evening) this week, we have received many positive comments, from parents, about how well it ran. We look forward to seeing parents at the second Pupil Progress evening next week.

National Spain Day is on 12<sup>th</sup> October, the date marks the arrival of Christopher Columbus in the Americas in 1492, a significant event which changed the course of history. It was lovely, in assembly this morning, to learn facts about Spain and countries which speak Spanish. Our keen linguists in Year 6 prepared a presentation with interesting facts and they also sang a spanish song. All children will complete activities, today, related to Spain, in celebration of their national day. Please ask your children what they have learnt about Spain.

As you can see below, our older children have been taking part in weekly cross country competitions at local schools. Next week we are hosting the cross country run, we look forward to seeing our children competing.

Children in Year 1 and Reception enjoyed an afternoon of Forest Schools this week. They were excited to complete a nature hunt, looking for bugs and leaves. They also learned how to put pegs in the ground, in preparation for making shelters in the future.

I hope you all have a good weekend

Best wishes

Sally Inskip-Ward
