

Maths

We will be learning about shapes and also about place value to 20. We will use a range of resources to investigate mathematical concepts. We will explore our own mathematical reasoning, using our words to talk about how and why.

RE

We shall be learning about incarnation and celebrations and why Christmas matters to Christians. We will be a learning about the nativity and advent and what Christians believe about them. We will also be learning about who we might thank at Christmas and also traditions that happen at Christmas.

PE

We will develop our jumping and running skills an learn how to make our running and jumping more effective.

Music

We will be learning about the beat in music through chanting about football.

English

We will be reading Lost and Found, Knuffle Bunny and We're Going To Find A Monster. We will be writing character descriptions, setting descriptions, retells and changing parts of the story. We will make sure we apply our phonics and decode words when we are reading. We will read aloud and build our confidence.

History

We will be learning about what schools were like in the past. We will be learning about our school and the old and new parts of it and also the old and new equipment in school. We will also be learning about what schools were like over 100 years ago.

Art

We will be learning about lines. For this, we will be drawing different types of lines and seeing how thickness of lines changes with pressure. We will also be learning about how we can show feelings and emotions through drawing.

PSHE/SRE

We will be learning about what helps us to stay healthy. We will be learning about what we can do and eat to be healthy, how to stay hygienic and how we can stop germs from being passed on.

Science

We will continuing to learn about everyday materials. We will be learning about the materials that objects are made from, know the properties of everyday materials and we will group materials based on their properties.

Year 1 Spring 1

Computing

We shall be learning about health and wellbeing when using technology and when it is a good time to take a break from technology. We will also be programming and will be learning about how to move a robot.

SEAL

In our Social and Emotional Learning our theme will be Going for Goals.
