

PSHE/ RSE

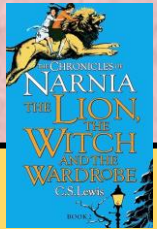

In PSHE/ RSE Year 3 will be answering the big question, 'What makes a community?' They will be looking at different communities such as religion, family and school and how a sense of belonging is created.
Year 4 will be exploring, 'How can our choices make a difference to others and the environment around us?'

Science

This half term in Science, we will be exploring sound. We will be investigating different scientific questions such as, 'How does sound travel?' and 'Can sound travel through air?'

Computing

In Computing our units of work will be focusing on programming.
Year 3 will be exploring sequencing sounds, using a range of different software's.
Year 4 will be learning about repetition in shapes.

English

In English, we will continue to build up our stamina and consistency in writing, whilst also applying grammatical elements learnt in Grammar.
This term we will be reading some lovely novels, such as 'The Abominables,' and 'The Lion, the Witch and the Wardrobe.'

RE

In RE we will be looking at symbols of worship. We will compare and contrast the use of symbols, actions and gestures used in worship by different communities.

Maths

In Maths we will continue to build on our learning from the Autumn term. This half term our focus will be number, multiplication and fractions.

PE

In PE we will be building upon our game sense skills. This half term we will be focusing on net and wall games, such as tennis. We will also start to look at different athletics skills, such as throwing and jumping.

Music

In Music we will be learning how to play different percussion instruments along to different genres of music. We will also be learning some new songs.

Spanish

In Spanish we will continue to build on basic greetings. We will also focus on asking questions and answering them.
Our topic is called Sé... (I Know How)

Art

This half term we will be learning about famous artist, 'Matisse.' We will explore his work and replicate it using the techniques that he used in his original artwork.

Geography

In Geography we will be exploring the country, 'Spain.'
We will look at where it is on a World Map and find out how it is different to the UK. We will also look at its culture.
