

Miss Shuker's Year 6 class report - Autumn Term, 2025

Year 6 have had a fantastic Autumn term. We launched our history Crime and Punishment topic with a crime scene and our Holes class text which has been one of our favourite texts so far

We analysed fingerprints, handwriting and powder. Did you know... Fingerprint Factoid Approximately 60% of people have loops, 35% have whorls, and 5% have arches. We all identified which type of fingerprint we were! We have been exploring the different types of crimes and punishments through the ages. Can you believe that they punished people for wearing purple in the Roman times!

We have created amazing cartoon doodles to celebrate World Art Day based on the Aaron Slater Illustrator book and have also been creating pieces of art based famous artists: David Hockney and Pablo Picasso.

We have been learning how to mix and combine ingredients and knead biscuit dough in Design and Technology by creating our own Christmas ginger biscuits which were delicious.

We also have been out in the community delivering harvest parcels.

Year 6 also enjoyed our visit to Chester Zoo where we saw sleeping rhinos, beautiful giraffas and comical orangtans! We completed some art work and produced a Trip Advisor review on our return.

We have had a fantastic term in Year 6 and are looking forward to next term.
