

PSHE/ RSE

In PSHE/ RSE, Year 3 will be learning about how to stay active and sleep well. They will be answering fundamental questions about how we should look after ourselves and about how sleep and staying active contributes to this.

Year 4 will be learning about managing risk in different places. They will be given a range of different scenarios to think about and problem solve.

Science

This half term we will be consolidating our learning on sound. We will then move on to learn about plants.

We will be exploring how and where plants grow, lifecycles and seed dispersal. We will be carrying out lots of different scientific experiments.

Computing

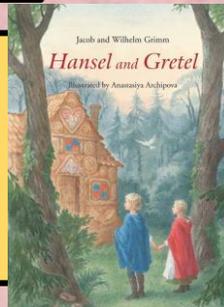

In Computing we will continue our work on online safety and the importance of this, however our main focus will be around data and information.

Year 3 will be learning about branching databases and Year 4 will look at data logging.

English

This half term we will continue our focus on handwriting and stamina when writing. We will be reading lots of engaging class texts to focus our writing around, starting with Hansel and Gretel.

We will also focus on developing our comprehension skills and vocabulary when looking at different texts.

RE

In RE we will Investigate some features of key religious festivals and celebrations and identify similarities and differences. We will look at sharing special food and explore; Why do Christians call the day Jesus died 'Good Friday'?

Miss McLauchlan's Class Spring 2

What are we learning this half term?

Spanish

In Spanish, we will be learning about Los Instrumentos (instruments)
We will be learning how to say a variety of different instruments and applying them to sentences.

Design and Technology

In D&T we will be learning about food technology. We will learn about the importance of nutrition and what makes a healthy diet. We will look towards creating our own dish towards the end of the topic.

Maths

In Mathematics we will continue gaining fluency in our multiplication. We will also explore fractions and decimals.

PE

In PE, excitingly we will move onto invasion games. We will focus on applying the skills we have been learning to Netball and Tag Rugby games.

Music

In Music we will be working on some new songs, applying our musical knowledge. We will also start to learn some new notes on our recorders.

History

In History we will be learning about Flight. We will be visiting Manchester Airport to look at planes and how they work and also to explore a terminal. We will be learning about the history of aviation.
