

Maths

We will be learning about place value within 50, length and height and mass and volume. We will use a range of resources to investigate mathematical concepts. We will explore our own mathematical reasoning, using our words to talk about how and why.

RE

We shall be learning about families. We will be learning about who in our families we can turn to, how members of families show that they love and care for each other and how Christians believe that by being part of a church, they are part of a big family. We will also be learning about stories that Jesus told that shows that we are part of God's family.

PE

We will develop our locomotion skills and we will be practising running.

Music

We will be learning 'Dawn' from Sea interludes & Musical Conversations.

English

We will be reading Beegu, Dogger and The Friendship Bench. We will be writing character descriptions, setting descriptions, retells and changing parts of the story. We will make sure we apply our phonics and decode words when we are reading. We will read aloud and build our confidence.

Geography

We will be learning about the UK. We will learn about the different countries and capital cities in the UK and some of the features of these countries.

Design and Technology

We will be learning about freestanding structures and as part of this, we will be designing and making playground equipment. We will be drawing our favourite playground equipment, designing a new piece of equipment and making it out of modelling materials.

PSHE/SRE

We will be learning about what we can do with money. We will be learning about how we get money, ways in which we can spend money and understand that we might need to save money to buy something.

Science

We will be learning all about plants. We will be learning about the different parts of a plant and their jobs, different types of plants and what a plant needs to live.

Year 1 Spring 2

Computing

We shall be learning self-image and identity when using technology and how to deal with people who make us feel sad when we use technology. We will also be grouping data and information.

SEAL

In our Social and Emotional Learning our theme will be Good To Be Me.
