

## Maths

We will be experimenting making marks and symbols to record numbers.

We will be making comparisons between objects relating to size, length, weight and capacity.

12345  
67890

## English

We are going to be reading lot's of fiction and non fiction books. We are going to talk about the features of books and take part in World Book Day.

We are going to be beginning to recognise some letter shapes and hearing the initial sounds in words. We will begin copying letter shapes from our names.

## Understanding the World

We are going to work on understanding how to keep ourselves fit and healthy - exercise and diet. We are going to develop our vocabulary and talk about materials and properties in our environment. Talk about plants - Show care and concern for our world and understand the key features of the life cycle of a plant.

## RE

In RE we will be looking at our world and how we should care for living things.

Year: Nursery Term: Spring 2

Topic: Growth

What can my body do?

## Expressive Arts and Design

We will learn, sing and take part in performing a range of songs. We will add emotions to our drawings and draw things we see. We will make a moveable split pin body.

## Physical Development

We will be looking at what our bodies are capable of. We will balancing, running, throwing, kicking and skipping. We will be taking part in dance activities and thinking about how exercise is part of a healthy lifestyle. We will threading, cutting and writing letter shapes from our names.

## Personal, Social and Emotional

We are going to be encouraging the children to extend their ideas when playing with others.

## Communication and Language

We will be practising understanding a question or instruction which has two parts. We will be encouraging the children to express a point of view.
