

## Maths

We will be solving real world maths problems with numbers up to 5 and beginning to recognise, order and write numbers above 5.

We will be describing familiar routes and use words such as 'in front of' and 'behind' to describe position.

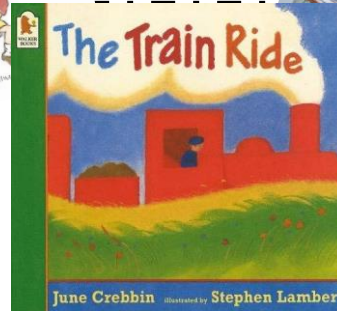

12345  
67890

## English

We shall be reading a range of different stories and rhymes linking to our topic.

We will be looking at how to use non fiction books to find information.

We will be practising writing our names and beginning to match rhyming words.

Year: Nursery Term: Summer 1

Topic: Journeys

Can I have a ticket to ride?

## Understanding the World

We shall be discussing different vehicles and modes of transport and exploring how they move and what they are used for.

We will be talking about how we travel to different places and explore different countries and the world.

## Expressive Arts and Design

We will be designing and making our own vehicles using junk modelling.

We will be using a range of instruments and clapping / tapping the pulse to songs and music.

## RE

In RE we will be sharing stories about conflicts or arguments and debating if we agree or disagree and sharing solutions to conflicts.

## Physical Development

We will be working on obstacle activities, moving over, under, through and around equipment thinking about journeys we can make.

We will be practising zipping up our on coats and putting on our wellies.

## Personal, Social and Emotional

We will be thinking about our responsibility when being a member of our school and local community.

We will be looking after our gardening bed Madeley.

We will be acting out different roles in role play situations.

## Communication and Language

We will be using longer sentences to communicate. We will be thinking about if we agree or disagree with an adult or a friend about a range of situations.
