

PSHE/ RSE

In PSHE/ RSE, year 3 will be learning about how to look after their teeth and eat well. They will explore the importance of dental hygiene and how food can impact this.
Year 4 will be exploring how we can grow and change. They will look at how our bodies change and also how our interests and friendships may change.

Science

In Science, we will continue our learning on Plants.
We will be exploring how and where plants grow, lifecycles and seed dispersal. We will be carrying out lots of different scientific experiments.

Computing

In Computing we will continue our work on online safety and the importance of this, however our main focus will be around creating media.
Year 3 will be looking into desktop publishing and Year 4 will be exploring photo editing.

English

This half term we will be focusing on spelling, which you can find on Google Classroom to also support your child at home.
We will be reading lots of engaging class texts to focus our writing around.
We will also focus on developing our comprehension skills and vocabulary when looking at different texts.

RE

In RE, we will explore the meaning of a wide range of stories about the beginning of the world. We will be asking key questions such as: What do Christians learn from the creation story? How do other religions believe the world was created?

Miss McLauchlan's Class Summer 1

What are we learning this half term?

Spanish

In Spanish, we will be learning about 'Mi Familia.'
We will be learning how to say different family members in Spanish and apply them to a sentence.

Art

In Art, we will be using different grades of pencil to shade and to show different tones and textures. We will focus on sketching different facial expressions and features.

Maths

In Maths, we will continue to focus on our multiplication fluency, in preparation for the MTC.
We will also be focusing on measurement and fractions.
As a class we will be working hard on developing our problem solving skills and mathematical vocabulary.

PE

In PE, we will be focusing on Cricket and Tennis.
We will learn basic skills, which will then feed into learning and rules and tactics of the game and learning how to play them effectively as a team.

Music

We will be exploring the story Hansel and Gretel and learn songs from the opera. We will explore the basics of dramatic singing technique and stage a scene. We will be learning the recorder.

Geography

In Geography, we will be learning about the seven Continents.
We will be focusing on Australia, both the Country and the Continent and how this differs to where we live. We will explore its landscape and Geographical features.
