67890

Literacy

We are going to be reading lot's of fiction and non fiction books. We are going to practise the skills of segmenting and blending to read cvc words.

We are going to understand that print carries meaning and is read left to right, top to bottom.

We are going to be working on rhyme and matching rhyming words.

Understanding the World

Talk about significant events in their own experiences such as holidays and share what holidays they have been on.

We will be comparing our country to a different country - looking at similarities and differences. We will be thinking about what things we would need to take on holiday, thinking about what we would take depending on the destination.

RE

In RE we will be looking at how we grow and change.

Year: Nursery Term: Summer 2
Topic: Changes

What can you do at the seaside?

Expressive Arts and Design

We are going to be drawing postcards - colouring inside the lines.

We will be mixing some colours and using resources to act out a range of holiday scenarios.

Physical Development

We will continue to practise writing their name and using fine motor control activities and tools.

We will work on getting ready and taking part in holiday games and activities such as beachball and dance and movement related activities.

Personal, Social and Emotional

We will be talking about ways we can solve conflicts.

We will be talking about holidays we have been on and holidays we would like to go on.

Communication and Language

Recall simple stories / events in sequence.

Uses a range of tenses - play, playing, played.
