

RE

In RE, we will be talking about: What is the good news Christians believe Jesus brings?

Music

In Music we will continue to look at different music styles. We will be singing and learning instrumental parts. We will observe changes in dynamics and pitch.

PSHE/ SRE

In PSHE, we will be learning about staying safe and allergic reaction. We will also talk about a range of feelings and simple strategies to help manage them.

Science

In Science, we will be exploring Everyday Materials and their uses. We will explore what materials are suitable to build a bridge and design a waterproof jacket. We will talk about new vocabulary such as waterproof, transparent and reflective.

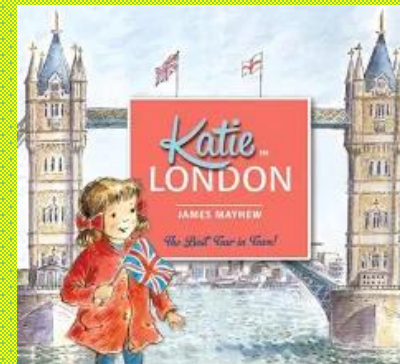

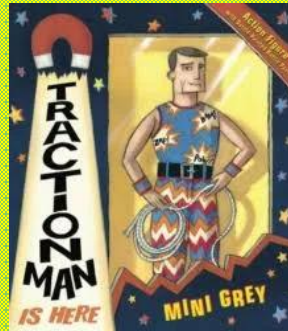

Computing

We will be learning about Computing Systems and Networks and IT all around us.

English

This half term we will be reading some very exciting books. We will produce our writing based around these books, focusing on consistency in basic punctuation and using conjunctions. This half term's main texts will be Traction Man and Katie in London.

Year 2 Autumn 1 What are we learning this half term?

Art

In Art we will be learning about colour mixing and using warm and cool colours in our art work. We will also learn all about the artist Henry Matisse.

Maths

In Maths, we will be looking at place value, using place value charts and number lines. We will also be focusing on addition and subtraction, counting in different variables. We will continue to practise our 10s, 2s and 5s times tables regularly.

PE

This half term our topics are 'Ball skills using our feet' and 'Gymnastics'. We will be dribbling with our footballs and in gymnastics, we will practise different rolls and how to link them to make a sequence of moves like a Champion Gymnast.

Geography

This half term our topic is 'What is it like to live in a village and a city?'
