

Maths

We shall be learning all about:

- Number – number and place value
- Number – addition, subtraction, multiplication and division
- Number – addition, subtraction, multiplication and division
- Number - fractions
- Measurement

Cross curricular

We shall be learning about statistics and measures in our science work.

RE

In RE we will be exploring the concept of the Gospel and what would Jesus do? In this unit pupils will learn about the four gospels, noting some of the similarities and differences between them. They will learn about the context of the gospels and the Christian tradition that Matthew, Mark and Luke wrote using eyewitness accounts to the life and teachings of Jesus whereas John used some different sources and includes long reflections on Jesus' teaching.

PE

We will be learning to create sequences in gymnastics and developing our invasion skills in netball.

Computing

We will be learning about computer systems and networks: communication and collaboration.

Science

We will be learning about how to classify plants and animals, discovering the work of Carl Linnaeus and exploring different types of bacteria!

English

We shall be reading Holes.

We shall be creating our own curses, incident reports, diary entries, letters, persuasive leaflets, information pages, predications, newspaper reports and short stories based on Holes. We shall also be learning how to spell and use words from the Year 5/6 list and consolidating grammatical terms such as relative clauses, passive voice and securing our knowledge of word classes. We will continue to apply complex punctuation ; : ... - to our work.

Cross curricular writing

We shall be writing non-fiction information pages and reports on Crime and Punishment reports and autobiographies based on living things and their habitats.

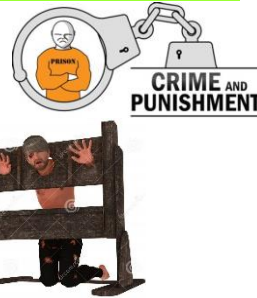

Our class author

Our class author is: Cressida Cowell who is a British author. She is best known for the book series: How to Train Your Dragon. We will be reading her books for pleasure.

History

We will be exploring what punishment was like 800 years ago and continue to track this up until modern day. We will study the legend of Robin Hood and what it tells us about medieval crime. We will explore the significant changes in the 19th century and experience hard labour! We will become police officers exploring robberies alongside evidence and case studies from the past. Finally we investigate if catching and punishing criminals in the last 100 years has improved.

Art & Design

We will be exploring famous artists: Pablo Picasso and David Hockney. We will be creating Picasso portraits and pieces of surrealism art using oil paints and pastels. We will be producing pieces of cubism art and creating a canvas of a landscape inspired by Hockney using acrylics.

Spanish

- We will be learning the theme Las verduras (vegetables)

Music

We will be learning to build a groove and compose in ternary form using 'Hey Mr Miller'.

RSE

We will be learning about our mental health and wellbeing.

Year 6
Autumn 1
