

RE

In RE, we will be moving onto a unit based around, 'The Kingdom of God.'

We will spend this unit exploring a big question, 'For Christians, when Jesus left; What was the impact of the Pentecost?' We will look at Bible Verses to explore different beliefs and attitudes towards this.

PSHE/ RSE

In PSHE, Year 3 will be learning about belonging and what a healthy friendship group looks like.

Whereas Year 4 will be learning about managing risk in different environments.

Science

In Science, we will continue our learning on 'Animals, including Humans.' We will be exploring different skeletons and how different bones perform different roles in our bodies. We will also learn about how muscles work.

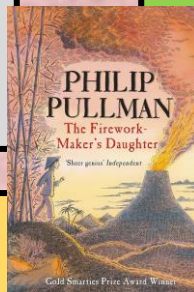

Computing

In Computing we will be exploring a Media unit and build up to creating our own stop frame animations.
Year 3/4 will be working on a variety of different software's to plan, make and evaluate their final piece.

English

In English we will continue to build on our fundamentals in our writing, we will continue to focus on our handwriting, punctuation and sentence structure.

We will start to half term by reading, 'The Firework Maker's Daughter,' by Philip Pullman, and will produce a range of different writing around this.

Music

In Music, alongside in practising performing our Christmas Carol Concert Songs, we will be learning about Samba in a unit called, 'Just Three Notes,' We will explore different musical terminology and apply it to different genres.

Mathematics

In Mathematics, we will still be focusing on our multiplication. We will continue to build on our fluency in our timetables, gaining confidence across multiplication and division.

PE

In PE, we will be moving onto a Gymnastics unit, 'Bridges.' We will explore how to make different shapes with our bodies, turning them into routines.

We will also be learning about invasion games and the skills needed in a game context.

Miss McLauchlan's Class Autumn 2

What are we learning this half term?

Spanish

In MFL we are continuing our learning in Spanish, learning to say simple phrases and sentences. Our topic for this half term is, 'Las Verduras,' which translates to Vegetables.

We will be learning how to say a range of different Vegetables, alongside asking and answering questions about this in Spanish.

D&T

This half term we will be moving onto 'Structures.' We will look at a design brief and then plan, make and evaluate based on the brief. We will be using the Computer Programme 'CAD' to achieve this.

Geography

Excitingly, we are moving onto Geography this Half Term. Our new topic will be, 'What are Climate Zones and Why do they matter?' We will research what a Climate Zone is and how and why this differs in different places.
