

Newsletter - 2 February 2024

Dear Parents/Carers,

The children look absolutely fantastic today in their number/TT Rock Star outfits, we have discussed that we are doing this to raise the profile of Maths and the teachers have organised exciting maths activities. Thank you for your support with this event.

It was lovely to have Afternoon Tea with the Reading Ambassadors, they are now busy planning how they would like the library to be redecorated.

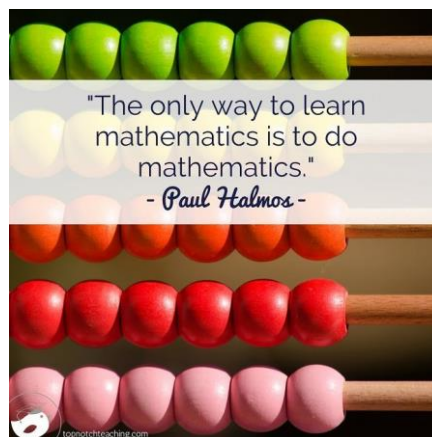

Year 2 enjoyed a visit, in school, from Newcastle Fire Service yesterday; the children learned all about fire safety and even got to have a go at using the hose!

As you will all be aware the cost of living, including food prices is having an impact on everyone, including catering companies. Therefore, we have been informed that the meal prices will be increasing shortly, we will keep you updated. If you are receiving child tax credit, income support, income based job seekers allowance or universal credit and you have not signed up for Free School Meals please contact us so that we can see if you are eligible.

The sun has been shining this week and there are a few signs that spring will soon be on the way, the days are certainly flying by!

I hope you all have a restful weekend,

Sally Inskip-Ward

Thursday 8 Feb
