Dear Parents/Carers

I am delighted to be able to send you our latest OFSTED report, which confirms that Sir John Offley continues to be a **'good'** school, in all areas.

I am particularly pleased the inspectors commented that 'Pupils enjoy coming to school. The school is a safe, happy and caring place, where pupils thrive. Pupils behave well and are tolerant and respectful.' As parents/carers you must be happy to know that this is the environment your child is coming to each day.

As leaders we have worked hard to design our curriculum to ensure it is broad, exciting and prepares children for their future. It was great that this was recognised in the report, 'Leaders have designed an ambitious curriculum. Leaders have carefully considered activities that help to develop pupils' character.'

As you know we are a nurturing and inclusive school and it was pleasing that the inspectors acknowledged that we take part in inclusive sports and children with special education needs are well supported.

Thank you, once again, to everyone who spoke to the inspectors, completed the questionnaire and sent your best wishes to the staff, it was much appreciated.

I would also like to thank the staff for their continued hard work and commitment to ensure that your child continues to receive the best education possible and also to our Governing Board who support us throughout the year.

Kind regards

Mrs S Inskip-Ward
